

*Christian Women's Job Corps of Gregg County*

## **Volunteer Application**

**About Us:** God has opened our eyes to a great need in our community to support vulnerable women, in need of hope. A small group of Christians has been meeting and discussing how to best serve those who are looking for a new beginning from a past of poverty, spiritual darkness, life crisis/difficulties, addiction or criminal involvement. How can we help these women learn how to know Jesus and abide in Him? How can we come along side of them in areas such as finding a job, learning how to budget their money, establishing healthy relationships and finding freedom from habitual sin? While looking for an organization that could help address these needs, Christian Women's Job Corps was selected for its ministry in godly mentorship and life/job skills training. We are seeking God's will in all of this and are hopeful that many churches and other believers will step in and get involved! We will need volunteers to teach computer classes, life skills classes and to befriend these women by providing lunches and spending time with them. We will also need a great deal of prayer, so please be a part of our program by committing to pray for the needs of our participants, their families and our volunteers. Why do you want to tell women about Jesus?

The greatest desire of CWJC of Gregg County is to teach our ladies about Jesus, in hopes that they will learn to love Him with all their heart, soul, strength and mind and then share that love with the world (Matthew 22:37-40). As a faith-based ministry, it is vital that our staff and volunteers share the same basic spiritual belief system. In order to minister to the needs of those entrusted to us, it is important that we each have a personal

relationship with Jesus Christ. Please review our statement of faith below. In the space provided on the following page, you are welcome to share more about your relationship with Jesus:

**Statement of Faith:**

We believe in the Trinity—God as Father, Son and Holy Spirit—and the Bible as the Word of God. Salvation comes through grace by believing in Jesus Christ as the only begotten Son of God, our Savior and Lord. Once saved, the Holy Spirit indwells, thereby instructing, guiding, and empowering the individual to follow the mandate of Jesus Christ in daily living.

Do you agree with the above Statement of Faith? Why or Why not?
