

Volunteer Opportunities! How You can Be a Part of CWJC!

- In the early stages of developing our program, we will be conducting needs assessment surveys on agencies, churches, businesses and those members of the community whom we long to serve. This will help us answer questions such as "What are the needs in our community? How can we help meet those needs at the CWJC?" We welcome volunteers to be a part of collecting and entering this data.
- We are needing women who are willing to provide a lunch for our ladies and to visit and eat with them. This is huge! We are hoping this will lead to lifelong friendships between the volunteers and our participants! Do you have a church small group that might be willing to help?
- Our ministry is in need of an accountant or volunteer who has experience with accounting software (such as Quickbooks) and is familiar with nonprofit tax laws.
- We are looking for teachers who can lead a class on life skills, Bible study or job skills.
- Mentors, this is a long term commitment and we will carefully consider those who apply to volunteer in this area. Please let us know if you would like to be considered.
- We will be looking for volunteers who are willing to serve with practical needs. This may range from answering phones, lunch clean up or anything in between.
